<b>Project name</b>	<b>Retail Store Stock Inventory Analytics</b>

The screenshot shows the IBM Cognos Analytics with Watson interface. At the top, there is a navigation bar with the IBM logo, the text "IBM Cognos Analytics with Watson", a search bar labeled "Search content", and user profile icons. Below the navigation bar, a large welcome message reads "Hello. Welcome to Cognos Analytics with Watson." followed by instructions: "You can get started right away by taking a look at our introduction video, product tour and Getting Started tab." Below this text are two buttons: "Watch video" and "Take a product tour". In the background, a file upload progress bar is visible for "Analyzing Inventory Management Dataset.csv", with a "Cancel Details" link. The interface features a dark blue background with a central graphic of interconnected cubes and data flow lines.
